

XOXO LOGISTICS & TRANSPORTATION

Healthcare Logistics Capability Statement

COMPANY OVERVIEW

Founded in 2019, XOXO Logistics & Transportation is a healthcare-focused transportation company providing secure, compliant, and reliable logistics services to hospitals, laboratories, physician practices, specialty pharmacies, oncology centers, medical suppliers, and government healthcare agencies throughout Arizona and Texas.

CORE COMPETENCIES

- Laboratory specimen and diagnostic sample transportation
- Pharmaceutical, specialty, and oncology medication delivery
- Medical equipment, supplies, and clinical inventory distribution
- Secure medical document and patient record transportation
- STAT, same-day, scheduled, dedicated, and multi-stop routes
- Temperature-controlled transport (ambient, refrigerated, frozen)
- Chain-of-custody documentation and electronic proof of delivery

CREDENTIALS & TRAINING

HIPAA Training | Bloodborne Pathogen Training | Chemotherapy Transport Training
TWIC Credential | CPR & First Aid Certified

DIFFERENTIATORS

- Healthcare-only focus; programs designed around clinical timelines
- Contracted, dedicated transportation programs with defined service levels
- Named operations contacts and documented escalation paths
- Documented custody from pickup through delivery
